MEETING AGENDAS

1. CCS DAYS Briefing
2. CCS DAYS Activity (Viewing) Form
3. Other Matters

AGENDA #1: CCS DAYS Briefing | 15 Mins

Day 1 – Schedule and attendance rules

- Date: March 4 (Wednesday), Day 1 of CCS Days.
- 6:30 am – 7:30 am: Registration at the grounds; students are assigned per course and year level, and receive their viewing forms.
- 8:00 am: Opening program at the grounds; all CCS students must be there, not in the CCS building or at the stone tables behind CCS.
- Class presidents are responsible for managing and monitoring classmates’ presence at the grounds.
- The program continues 10:30 am – 1:00 pm at the grounds; students must remain on the grounds to ensure visible participation in events.
- 10:30 am: Start of Palarong ng Lahi – Part 1, followed by time to prepare for class presentations.
- Clarification: A previously mentioned parade before the opening program is no longer included in the plan.

Day 1 – Room usage and class presentations

- Limited classrooms will be used; approximately four sections per room (shared rooms).
- Students are reminded not to leave valuables or important items in rooms to avoid loss.
- Specific room assignments for each section will be announced later.
- Attire and lightstick competition (Day 1 related)
 - After the main program, there will be an attire and lightstick competition.
 - Participants must attend a rehearsal on Monday at 9:00 am in Room 114 to avoid chaotic flow during the competition.
 - Attendance at rehearsal is required, with only BSIT-Cainta excused due to distance; they will be briefed separately.

- Students must already have their lightsticks; lightstick competition is part of the attire competition, and those without lightsticks cannot join in that portion.
- After the attire and lightstick competition, there will be several games, and no event is scheduled after lunch to allow preparation for class presentations.
- Behavior and participation reminders (Day 1 opening program)
 - During recitation of mission and vision, and singing of the national anthem and URSM, everyone must participate actively.
 - Students should respond respectfully if guests speak and clap before and after speeches.

Day 2 – Registration, booths, and booth hopping

- 7:00 am: Registration for Day 2.
- From 8:00 am: Booths open; this includes booth hopping activities.
- Booths are prepared by booth managers.
- Students will not pay cash at booths as long as they have a booth ticket/pass; payment is associated with the ticket itself, not at each booth.
- All or most sections already received their booth tickets, except some 4th-year students; organizers checked if anyone had not yet received a ticket.
- Clarification was emphasized multiple times that no additional money is required if the student has a booth pass.

Day 2 – Popmazing Race and IT Seminars

- Day 2 includes a Popmazing Race, starting at URSB Grounds, where participants will gather at the first station.
- Class presidents must ensure that class representatives/participants join the Popmazing Race.
- From approximately 1:00 pm to 4:00 pm: IT Seminars will be held in assigned rooms; official room assignments will be posted on the Student Body (SB) page.
- Popmazing Race and IT Seminars happen at the same time; slots for the seminar are very limited.
- Students who are not in the seminar should be at the race area, either participating or watching.
- Class presidents must note this setup and confirm understanding.

AGENDA #2: CCS DAYS Activity (Viewing) Form

| 19 Mins

Viewing form – general rules

- Viewing form is given during registration and must not be lost, even after the event, because it will be re-attached/collected at the end of the semester.
- Students are reminded to keep the form safe throughout CCS Days.

Day 1 – Time-in and registration signatures

- The viewing form has a time-in section where registration staff sign when a student arrives.

- Only assigned people (registration staff, some class presidents, and CCS organization officers) are allowed to sign in this section.
- Once a student is outside or misses their time-in slot, they cannot sign the time-in portion anymore.
- When asked what to do if a class president might miss their own time-in because they are busy signing for classmates, the guidance is: secure your own signature first.
- Opening program attendance rules (linked to viewing form)
 - All classmates must be at the grounds and participating during the opening program.
 - Class presidents must not sign the viewing form for any classmate who is not present or not participating during the opening program.
 - This is to ensure maximum participation of students in CCS events.
- Use of viewing form during events and class presentation
 - For event watching/playing (e.g., games, activities), if a student is not actively watching or playing, the class president should not sign their viewing form for that part.
 - For class presentations, class presidents are also the ones assigned to sign.
 - If a student does not help in the class presentation in any way (performer, props man, or any form of assistance), the class president must not sign their viewing form for the class presentation.
 - Emphasis: The viewing form signature is a record of genuine participation, not just attendance on paper.
- Responsibilities and authority of class presidents
 - Class presidents are directly assigned to sign portions of the viewing form related to participation (opening program, playing/watching events, class presentation).
 - They are also responsible for withholding signatures from classmates who are absent or not contributing.
 - The speaker repeatedly checks if class presidents understand these responsibilities.

Day 1 – Time-out procedure

- For Day 1, time-out will be after the class presentation.
- Students are strongly encouraged not to go home during or before the class presentation, because it is the highlight of Day 1.
- Time-out signatures will be handled by CCS officers: CCSSB, IC, ISSL, and ITSL.

Day 2 – Time-in reminder

- Day 2 time-in procedure will be the same as Day 1 (same basic rules about time-in and signatures).
- Students and class presidents are reminded to be aware of the CCS Days schedule and time-in requirements.

Day 2 – Booth Pass

- Every student's 70php is used for those booth pass tickets. So don't waste the money you've paid for your booth passes.
- Additional information, you can't keep on using your booth pass on one booth to complete all your signatures in your viewing form, you have to go to different booths to get all 4 signatures for your viewing form to take effect. Basically, use your booth pass wisely.

Day 2 – Palaro ng Lahi, Popmazing Race, IT Skills & IT Seminars

- Palaro ng Lahi, Popmazing Race, IT Skills & IT Seminars will take place at the same time during the CCS Day 2.
- In the viewing form, the Palaro ng Lahi will be signed by the Class Presidents, the Class Presidents will sign their classmates viewing form if they're a Participant or a Viewer. If neither of their classmates showed up, they shouldn't sign their viewing forms.
- For the Popmazing race, ITSL officers will be in charge to sign the viewing form, this will only be given to the representatives of each section.
- The IT Skills competition will be signed by the IConnect officers, this will also be given to the ones who are participating in it.
- As for the IT Seminars, the signature will be given by the CCS officers assigned from each seminar.
- If the slots to participate in the Palaro ng Lahi, Popmazing Race, IT Skills & IT Seminars have run out, you can watch the Palaro ng Lahi to be able to get a signature in that section.
- In this section of the viewing form, you can only get 1 signature, not 2 or 3 signatures from each of the events that take place at the same time.

Day 2 – Closing Program

- At the closing program, this segment will be the awarding of all the winners of the overall events. Students shouldn't be heading home in this part of the segment yet.

Viewing Form: Raffle

- At the bottom part of the viewing form, you have to put your name, course, and section. That will serve as your raffle ticket for the CCS Days, there will only be simple raffle prizes that's provided by our sponsors.
- This raffle slip will be taken during the closing ceremony, as the raffle will be done manually.
- The student that's not in the grounds if they're announced as the winner of a prize, will not be able to claim their prizes. So all students are required to be on the grounds to not miss it.

AGENDA #3: Other Matters

| 18 Mins

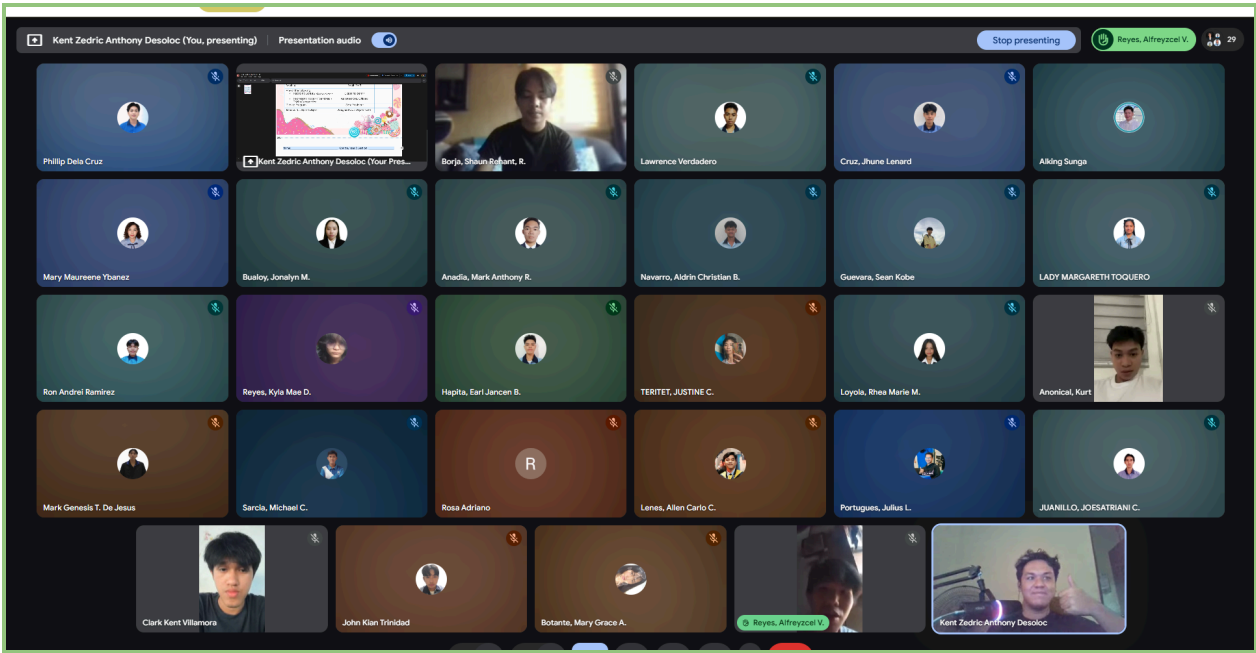

- All Class Presidents and CCS Officers should be left behind to clean the premises after the event.
- All Class Presidents should inform their respective sections to not leave their props behind, it should be disposed of properly, or taken home, we encourage the students to clean as you go. Students should also dispose of their trash on designated trash bags in the premises.

- Students are free to leave the grounds during their lunch break, all students are encouraged to bring their own water since the weather is going to be very hot, most especially during the class presentations.

Reminders

- CCSSB will continue to extend the deadline for the list of participants for the Palaro ng Lahi till tomorrow, Sir Alking urges the Class Presidents to fill up their representatives immediately for this list since this google sheet has already been posted a few weeks ago.
- 4th Years are especially needed to participate in the palaro ng lahi, if they refuse to put in their list of participants or participate in any of the events, their OJT hours will not be honored during CCS Days. This has already been approved and discussed by their OJT Teachers.
- The Attires for the CCS Days should be Kpop or Ppop related, with bright colors. Everyone is encouraged to dress to impress during the CCS Days.
- There will also be a photo competition of students to take epic photos during the CCS Days and post it in their social media account, those who shared the most epic photos will win.
- Class Presidents should upload their sections music in the google form before the deadline on Monday.
- The light sticks will be submitted face to face on March 2 (Monday) while the campus is open, they can pass it to the CCSSB.
- Students shouldn't lose their viewing form during the 2 days celebration of CCS Days.
